Ezúton továbbítom Önnek MirVakili Seyyed Aliakbar úr, az iráni Yazd város polgármesterének levelét.

Őszintén remélem, hogy az emlékművek felállításának projektje sikeres lesz, és a magyar Jászberény és az iráni Yazd városának kapcsolatai tovább bővülnek és fejlődnek a jövőben is.

MAYOR OF THE TOWN YAZD

Registration number: 62068/100

Dr. Tamas Szabo Esq.

Mayor of Jaszbereny

March 18, 2011.

Honorable Mayor,

Let me first of all congratulate your selectivity as the new mayor of Jaszbereny. I trust this would be the prologue of a fruitful coordination. It is worth to note that Municipality of Yazd, during the former administration of Jaszbereny, not only has confirmed your memorial, but also has allocated an appropriate site for installation. So far, we have also designed two separate memorials on our behalf which were never officially confirmed or rejected by the authorities of Jaszbereny (though we did receive their comments through embassies). Nonetheless, at this time we have prepared a new symbolic design - the details and images of which are attached - according to the prerequisites indicated previously by the municipality of Jaszbereny and at the moment we have it under construction. The details of the installation site will be sent to you later.

Hereby I declare that the substructure and supporter frame for your gift will be ready by July 2011. I would appreciate if you would notify me about your conditions concerning the substructure and installation of Yazd's gift within this period. I will also be grateful if your Excellency would inform us on any of your decisions and plans at least a month in advance.

I have studied and signed the contract and I approve the contents. Documents are attached.

Yours sincerely,

Seyyed Allakbar MirVakili

Mayor
